

Jerome Township and the Village of Sanford Notification

- Intended for residents located in Jerome Township and The Village of Sanford

Jerome Township, in conjunction with Republic Services, is pleased to announce an expanded solid waste and recycling collection program for the Township and Village Residents which includes a cart for each residence for the containment of both their solid waste and recycling. Recycling will now be collected on a monthly basis. Please refer to the calendar with this flyer for your new recycling schedule. **Residents who used to have collection on Thursday will now be collected on Tuesday.** Wednesday collection will remain the same. New 2014 calendars will be available in November, please contact the Township for more information.

How will this system work . . . ?

Republic Services will provide each household with one (1) 95-gallon curb carts that have the capacity of (3) 32-gallon trash cans each. On your collection day, simply place your Cart at the curb with the handle facing your house. Make sure you have a minimum distance of four feet from other objects such as mailboxes, parked cars, and even your bulky item. Republic Services new automated collection truck will then pick up the Cart, empty it, and return them to its original location. It's that simple!

Solid Waste Collection . . .

The Curb Cart should be placed at the curb **NO LATER than 6:00 AM** on your collection day. If you have more waste than what your cart can handle, please bag and place **NEXT TO** the cart, **NOT ON TOP** of the cart. The driver can easily empty the cart, then refill it with the other bag and empty again. Generate more than the contents of one cart? Need another cart? Please contact the Township for details.

Recycling Collection...

Recycle Carts should be placed at the curb **NO LATER than 6:00 AM** on your collection day. Recycling will be serviced on a **monthly** basis with the addition of the **NEW RECYCLE CARTS**. Please refer to the **NEW Acceptable Material Guidelines** included with this information packet to find out what can now be recycled. Generate more than the contents of one cart? Need another cart? Please contact the Township for details.

Cart Care . . .

With the right care your new Carts will last for many years without needing maintenance. Please use trash bags to contain your waste inside the Cart. This will reduce the need for periodic cleanings. Your Cart has smooth surfaces that allow it to be easily cleaned with a regular garden hose and dishwashing soap. Do not place hot ashes, construction debris, and/or hazardous waste in the Cart. Please do not paint or write on the Cart. Each Cart is labeled with a serial number. Residents should take note of the serial number of their specific Cart. If it is lost or stolen, please provide this number to the police then provide a copy of the police report to Republic and they will provide you a replacement at no additional charge.

Moving . . .

If you move, do not take the cart with you. The cart has been assigned to the property address along with the serial number and should be available for the next occupant/owner of the household.

Prohibited Items . . .

Items prohibited are: large quantities of dirt, sod or rock, hazardous waste of any kind, liquids of any kind including paint, flammable materials such as oil, or gas, concrete, hot ashes; yard waste of any kind, large amounts of remodeling or demolition materials, whole tires or any other material to be determined as prohibited by State Statute.

Holidays . . .

When a holiday falls on or before your collection day, there will be no collections on that day, and the rest of that week's refuse and recycling collection will be one day later than usual.

Holidays observed:

New Years	Memorial Day
Independence Day	Thanksgiving
Labor Day	Christmas Day

Bulky Item Collection . . .

One (1) large item may be placed curbside each week for collection. Bulky Items shall be bundled in parcels not to exceed two (2) foot by four (4) feet in length and/or fifty (50) pounds in weight.

Inclement Weather . . .

In the event that Republic is unable to provide service due to inclement weather, collection will take place the next day following the scheduled collection day, or as soon as weather conditions allow. The Township will immediately be notified should service be interrupted due to bad weather conditions. Please feel free to contact Republic if you have any questions regarding service during inclement weather.
